A man's gift maketh room for him, and bringeth him before great men.

Proverbs 18:16

"There are few times in a worship setting where we are able to see a congregation moved deeply within a moment. Having Lance Brown minister creatively brought about one of those sweet ministry moments. His servant spirit and his artistic precision is high caliber; but God's anointing in him to touch the human heart is astounding. His ministry will bring life to any worship experience."

WHAT OTHERS ARE SAYING:

"If you are looking to use the arts to engage peoples' hearts (and why wouldn't you use everything you can), Lance is a joy to work with and humble servant for our King."

Todd Wagner – Executive Pastor – Watermark Church – Dallas, Texas

"I was very, very excited to see a painter on stage during the worship at the conference. It was a very powerful moment. The whole audience with thousands of youth just started applauding. Very cool to have Jesus "revealed" in front of your eyes in this way. It was definitely the thing people talked about."

Hogne Berland – UL Youth Conference 2014 – Stavanger, Norway

"Lance is so easy to work with because his heart is in the right place. It is very evident that his first priority is to reach the lost and hurting and his art and performance is a great avenue to do that. Because of his genuine spirit, he naturally had a generous response from our congregation. He is also a great team player and was very easy to work with when it came to production and logistics. His ministry will definitely be a blessing to yours!"

Danny Hageman – Campus Coordinator – Gateway Church, Texas

"Lance was an absolute joy to work with! He was very humble and sought to serve our church and our vision instead of forcing his ideas upon us. He was quick to respond to all forms of communication, was eager to listen to our thoughts and direction, and was just fun to get to know. He's very likable and easy to connect with spiritually as he desires God's will above all else. Not to mention, the painting was an unbelievable moment in our service. Of course he's a great artist; but the thing that sets Lance apart is his humility and willingness to serve. I highly recommend him!"

David McKinney – Associate Global Worship Pastor – Cross Church, Arkansas

"Lance was a special guest at our annual fundraising gala for Hope Mansion, a home for women experiencing crisis pregnancies. The audience, myself included, were enraptured as we were ushered into worship through Lance's paintbrush. It was a beautiful, transcendent experience and the auctioning of his Painted Christ was an incredible success. If ever you have the privilege to experience Lance's performance, invite everyone you know."

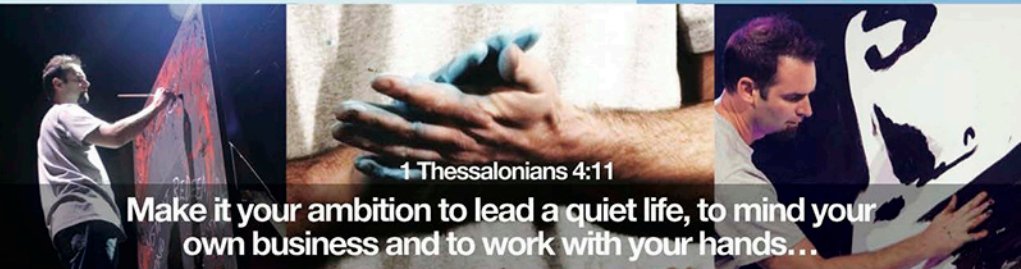

Camella J. Binkley – Hope Mansion Fundraising Gala – Dallas, Texas
